09068480550; 09068480551; 09068480551212; 09068480552; 09068480553;  
09068480554; 09068480556; 09068480557

### 2. Description of changes / news:

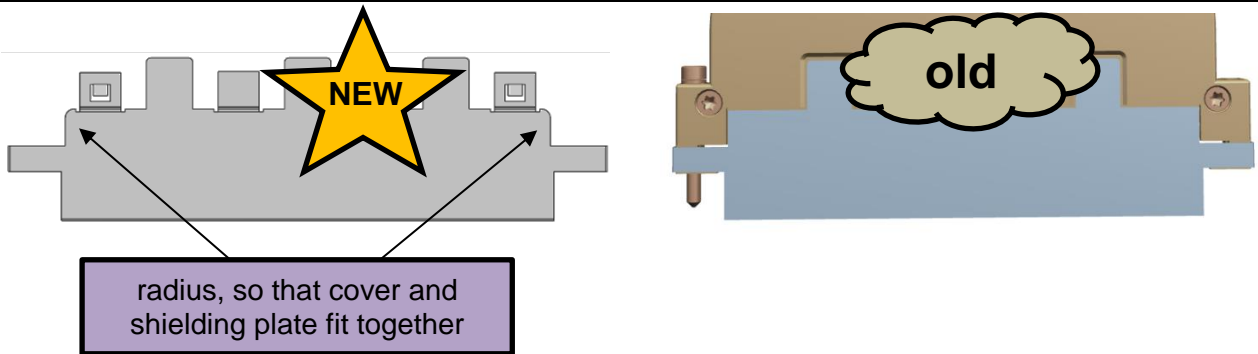

Pushing Performance

# HARTING Product Change Notification

PCN

### 3. Impact on product specification:

There is no functional impact. All existing Harting D20 accessories like cable entry, fixing elements etc. can be used in the same way and fit to the housing as before.

### 4. Scheduled date of implementation:

2022-02-01

### 5. Identification of change:

The part numbers stay the same! Only the revision level will be increased (see attachment).

### 6. Data sheet (optional):

The updated type sheets and data sheets will be available in e-Business latest after implementation of the change.
