

Suntsu Frequency Control, Inc.

The Notification of End of Life For SWS512 Series

Notice Date: May 25, 2021

Subject: Notice the end of life for the SWS512 series

1. The Notice

Suntsu has decided to announce the EOL notice for SWS512 due to the package shortage and demand decreasing.

- EOL Date : 05/25/2021
- The last time buy: 07/09/2021
- Please contact Suntsu sales team for quotation.

2. Recommend the alternative solution

Suntsu recommends customers consider testing SWS732 series as the alternative solution. SWS732 size is a little bigger but has similar land pattern. The electrical performances are same. Please contact to the sales team for more information.
