

Features:

- Ingersoll Rand's Quiet Technology reduces the sound of the tool. Sparring your ears without sacrificing the power to get real work done.
- At only 4.7 pounds less is weighing you down, so you can work harder and faster for longer stretches of time.
- Born from the legendary durability of the Ingersoll Rand 2135 Series, the 2235 pushes toughness to the next level. It's built with a titanium hammer case, steel-wear plate and composite housing that protect the tool from the harshest environments.
- Every component, every mechanism and every function of the 2235 Series has been pushed to the limits to ensure it always performs in the face of the toughest jobs. Backed by a two-year warranty, the 2235 Series is a finely tuned workhorse, from its components to its technology, to be the impact wrench you can always count on to get real work done.

Attributes:

Brand	Ingersoll Rand	Average CFM	3 CFM
MFR #	2235TiMAX	Noise Output	88.7 dBA
Style	Pistol Grip	Loosening Torque	1350
Anvil	Standard	Free Speed	8500 rpm
Description	Drive Air Impact Wrench	Max Torque	930 lb-in
BPM	1220	Drive Size	1/2 in
Min Hose Size	3/8 in	Length	7.6 in
Air Inlet	1/4 in	Weight	4.7 lbs
