

## Product Change Notification

(Notification - P1605025-DIGI)

(SAG-B-15-0003)

May 26, 2016

**To:** *Our Valued Digi-Key Customer*

**Overview:** The purpose of this notification is to communicate an update to a previously released product change notification (PCN) for select Renesas Electronics America, Inc. (REA) devices. These devices have replacement part numbers.

**Notification P1509034** (released in September 2015) is being **updated** with a **new last time ship (LTS) date** and a **new mass production date** for the replacement device.

The original notification concerns certain devices packaged in the Quad Flat Package with Heat Spreader (HQFP). These devices are changing to a new HQFP design and will be assembled & final tested at RSPT Yonezawa.

**Affected Products:** A review of our shipment records to your company indicate the attached list of products is affected by this notification.
