

## Product / Process Change Notification (PCN)

---

909 N Pacific Coast Highway, Suite 230, El Segundo, CA 90245

**Notification Date:** November 29, 2022

**PCN Number:** PCN22101

**PCN Title:** Manufacturing Site Alternate - Qualification of Raytek for PbF wafer bump process for additional commercial device, EPC2070

**Product Identification:**

The following released to sales part numbers will be impacted by this change:  
EPC2070

**Description of Change:**

EPC announces the qualification of RAYTEK for PbF (lead free) wafer bump process for commercially released device, EPC2070. There will be no change in manufacturing technology or to the package dimensions. This change does not affect the form, fit, or function of the product as defined in the datasheet.

Successful qualification testing of the RAYTEK facility was performed to ensure product quality and reliability requirements are met or exceeded. RAYTEK is an existing qualified supplier for other EPC devices including commercial and AEC products. Additional qualification information can be provided upon request.

RAYTEK will begin production of the EPC2070 on or after June 6, 2021. Products with date code 2230 and afterward could be produced by RAYTEK. During the transition period customers may receive shipments from any approved EPC assembly site. Shipment of such products to a customer will only occur after the customer PCN is signed off.

**Last Time Buy:**

N/A

**Samples**

Contact EPC if samples or additional information is required.

**Information Request**

If there are any questions, comments or information required regarding this PCN please contact your local EPC Sales Representative.

EPC CONSIDERS THIS CHANGE APPROVED IF WE DO NOT RECEIVE ANY WRITTEN OBJECTION WITHIN 30 DAYS FROM NOTIFICATION DATE OF THIS PCN LETTER.
