Bourns® Model F-Series Surge Protection Assemblies to be Discontinued

Effective January 31, 2019, Bourns will be discontinuing the [F-Series Protection Assemblies](#) due to low market demand. Bourns will continue to sell the [Model 2022 replacement well protectors](#).

With low availability of piece parts, the opportunities for last time buy for the F-series will be limited and in many cases not available. This will be determined on a case-by-case and first-come, first-serve basis. If parts are available for last time buys, those orders need to be submitted by January 31, 2019 with all final shipments occurring prior to March 31, 2019.

Please plan for the following deadlines:

Last Time Buy Date: Limited, possibly not available

Last Time Ship Date: March 31, 2019
