Product End-of-Life Notification
Effective Immediately

MultiTech mDot™ Developer Kit
Model: MTUDK2-ST-MDOT

Date: August 17, 2022

I. Summary
Due to decreasing demand and the availability of a recommended replacement model, the model listed in this announcement is changing status from **Active** to **End-of-Life (EOL)** effective immediately.

Replacement model available.

II. Part Number Impacted / Recommend Replacement Model

EOL Ordering Part Number	UPC	Recommended Replacement Model	UPC
MTUDK2-ST-MDOT	789407360671	MTMDK-ST-MDOT	789407361180

III. Key Dates
End-of-Life (EOL) Date: August 17, 2022

IV. Warranty and Support
MultiTech will provide technical support and repair or exchange of the products listed in this announcement through the warranty period of the installed device. However, no firmware/software updates or maintenance releases will take place post EOL date.

V. Suggested Action Plan
We recommend the following actions be taken:
- Remove the EOL model number from your ordering systems and web sites.
- Forward this announcement to others within your organization who are actively involved in the sale or support of the device listed in this announcement.
- Notify existing customers who have been using this device and work to migrate them to the recommended replacement model.
