

Product Change Notification

TE Connectivity

Product Change Notification: P-16-013934

PCN Date: 07-DEC-16

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:
2X8 MALE INLINE ASSY KEY A, BLACK

Description of Changes
TE Connectivity is informing you about the addition of a new housing replacement mold to produce the below listed TE Connectivity Part Numbers. Please contact your TEC Sales Engineer or Customer Service Representative if you have additional questions. A PPAP will be requested on your behalf by the TE Project Manager for customers who have purchased product impacted by the change in the past 24 months and have current open sales orders. PPAP include: PSW, Material certification, affected dimensional data from customer drawing, validation testing, & IMDS information.

Reason for Changes:	
Product improvement. Dear Customer, as a result of our continuous strive for improving our delivery and meet our customer's capacity needs, we hereby inform you about the addition of a new housing replacement mold, Mold# 1046852. An internal release based on our specifications will be executed before any parts will be delivered.
