

Product Change Notification

TE Connectivity

Product Change Notification: P-21-021877

PCN Date: 13-DEC-21

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:

2X3 POS AMPMODU IV HOUSING

Description of Changes

Manufacturing location change. Manufacturing location of the molding tools/process for the housing part numbers listed below will be transferred from the current TE facility in Bydgoszcz Poland to an outside Vendor within the same city.

Reason for Changes:

Dear Customer, as a result of our continuous strive for improving our processes, we hereby inform you about a transfer of tools and/or processes. The transfer is executed by following a strict transfer procedure, which guarantees no negative influence on quality, ability to supply and form-fit-function of the concerned products. The molding process transfer is executed to due to space constraints in the current facility. The new manufacturing location is under a certified quality management system according the standard industry requirements. An internal release based on drawing specifications will be executed before any parts will be delivered, which guarantees the performance.
