

SUBJECT: Sounder Series (Miniature Audio Transducers) & Speakers

BULLETIN #: PG72.041400

Date: April 14, 2000

LAST TIME BUY: October 31, 2000

LAST TIME SHIPMENT: December 31, 2000

SUGGESTED REPLACEMENT: There are no suggested replacements

As a result of aging tooling and business feasibility, the EAF12R, 14R, 16R and 20R series of "Miniature audio transducer" and some "Small size general purpose speakers" are being discontinued. The primary US outlet for these products has been our distributor Digi-Key.
