

## Important Notice to our Customers

**Product Change Notice #: VE200424**

**Date: April 24, 2020**

**RE:** Product substitution and change of part number for 28V input, 3U VITA 62 Compliant Power Converters

### To Our Valued Customer:

We appreciate your use of Vicor products. This is to inform you of a design optimization and ordering part number change to the 28V 3U VITA 62 compliant power converters.

### PCN Type:

Product substitution

### Products Affected –

End of Life Part	Recommended Replacement Part	Package Type	Electrical Specifications
VIT028H3U600D002	VIT028H3U600D000	Same	Functional Equivalent
VIT028H3U600C002	VIT028H3U600C000	Same	Functional Equivalent

### Reason for the change:

The 28V VITA 62 3U power systems have been optimized and the part number is being changed to allow customers to identify the newer version. The new 3U version is functionally equivalent but is not a drop-in replacement.

### Effective Date:

The new version will be phased in immediately.

### Actions Required:

Customers should make note of the change and contact Applications Engineering with any questions or concerns.

### Company contact for technical questions:
