

Specification Sheet

Part Number: PP110C648RS

Category 6 48 Port Patch Panel With Rack-Snaps, 2U, Black, 1/box

Article Number

853-20107

Type

PP110C648RS

Color

Black (BK)

Features & Benefits

- To ease installation, panels are offered with Rack-Snap inserts which dramatically reduce installation time as they eliminate the need for tools and cage nuts in standard EIA-310-D standard racks or cabinets with square holes.
- Write-on labels provided for easy identification.
- Clear plastic channel protects PCB and allows easy viewing of wiring label.

Quantity Per

box

Product Description

The MegaBand Panel has been designed to offer exceptional Category 5e performance and value and is available in 1U 24 port and 2U 48 port versions with optional rear cable management. The panel presents 48 Category 5e ports in 2U of space and is supplied with a sliding label panel and Rack Snap mounting fixings as standard. The MegaBand products are designed to support any data or voice protocol capable of running over a Category 5e cabling system.
