TE Connectivity

Product Change Notification: P-16-013222

PCN Date: 29-JUN-16

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:

AMPSEAL 16 Hinged Straight Exit Backshells and Hinged Right Angle Backshells (w/elbows)

Description of Changes

The part numbers listed in this PCN will be superseded with a complete new line of Heavy Duty snap together straight exit Backshells and right angle Backshells. All sizes of these backshells will be available for orders in mid-July. These new backshells will offer more features including a smooth wire exit version along with other features not available with the current hinged design. Attached with this PCN is a cross reference sheet to help in determining the best replacement backshells for existing applications. Other attachments:

Reason for Changes:

Part status change. Dear customer, as a result of our continuous strive for improving our products and processes, we hereby inform you about the superseding of our current AMPSEAL 16 Hinged Backshells. The new replacement backshells will provide superior quality and delivery, as well as retention and fit to AMPSEAL 16 connectors. For questions relating to this PCN, please contact your TE Connectivity representative.
