PRODUCT CHANGE NOTICE

Dear Telit Partner,

With the introduction of a new Evaluation Board for Telit wireless products, we would like to announce the End of Life (EoL) of one of our EVBs.

Please refer to the following table for the corresponding part numbers.

Current		New	
Product Name	Telit Part Number (PN)	Product Name	Telit Part Number (PN)
Telit EVB	3990150592	Telit EVB 2.0	3990150687

The new EVB 2.0 is fully compatible with existing TLBs (Translation Boards).

Further information and documentation on Telit EVB 2.0 are available on Telit Web Page:

<https://www.telit.com/developer-zone/evb2-0/>

The current EVB will be available till stock depletion, then orders will be converted into the new one.

If you have any further question about the present communication, please contact Telit Technical Support or your Regional Sales Representative.

Best regards,

Marco Argenton
Head of Product Management
Telit Communications S.p.A.
