Re: MA12R (Bulk packaged only)

Effective Immediately, APEM will no longer be offering the following slide switch MA12R in bulk packaging. The MA12RTR which is an MA12R on tape and reel will still be offered. Please note that this change has been made to insure the quality of the part by proper packaging. APEM will require all orders to be placed under the part number MA12RTR going forward and will only accept orders in increments of 3300 pieces which is the count for 1 single full reel.

Sincerely
