IFC - Industrial Field Connectivity	BF1	Product Change Notification	Notify Distributors and Field	3/9/2017

The following Phoenix Contact products have been modified. Existing specifications will be met or exceeded. Please review and acknowledge this document and inform your personnel as needed.

Description for Product Change Notification

The UL requirements for the printing information on the cable have changed from 3 languages (English, French, Spanish) to 2 languages (English, French). Due to the reduced printing, we can change from thermo transfer printing to ink jet printing. Ink jet printing will provide additional abrasion resistance compared to thermo transfer printing. The status of UL listing of the products will not be effected by this change.

Is mixture of stock acceptable?	Yes
