2. Reason for termination:	
<p>In the past our MiniCoax cable assemblies were provided to our target market "Telecommunication". With our new focus on other markets the sales declines from year to year so that we decided to phase out this product range. The new won ressources like capacity and time we will use to focus on our current and future products.</p>	
3. Possible replacement products	
None	
4. Scheduled date of:	
<p>Last order: 28th April, 2020</p> <p>Last delivery: 28th July, 2020</p>
