SUBJECT: On Semiconductor Product Discontinuance #16310

TITLE: MC34063 SOEIAJ-8 Product Discontinuance Notice

LAST BUY DATE: 29-Aug-2009

LAST SHIP DATE: 29-Jan-2010

AFFECTED PRODUCT DIVISION:

Analog Products

FOR ANY QUESTIONS CONCERNING THIS NOTIFICATION:

Contact Sales Office or Paul McDevitt <Paul.McDevitt@onsemi.com> or

Tim Kaske <Tim.Kaske@onsemi.com> or Ken Higuchi <Ken.Higuchi@onsemi.com>

NOTIFICATION TYPE:

Customers must notify ON Semiconductor in writing within 30 days of receipt of this notification if they consider the discontinued product to be "Sole Source." ON Semiconductor and the customer may negotiate an appropriate End-of-Life.

DESCRIPTION AND PURPOSE:

ON Semiconductor and the subcontractor used to assemble MC34063 in SOEIAJ-8 package can no longer assemble this device in this package due to equipment obsolescence.

ON Semiconductor is officially notifying customers of the affected devices, MC34063AMELG and MC34063AMG, being placed on immediate Lifetime Buy status.

In order to aid in this process, ON Semiconductor continues to offer this device in 8-lead standard SOIC package as suggested replacement for customer's alternative solution. Customers are advised migrating future needs to the standard SOIC package type.

ON Semiconductor will implement minimum order quantities based on the inventories available under these special circumstances. These products become NCNR (Non-Cancelable, Non-Returnable).

Distributors are also advised to arrange life-time buy orders from their respective customers in coordination with the local sales office or customer service representatives to allow ON to allocate properly the limited inventories.

Subsequent to publishing this notice, ON Semiconductor will allow 30 days from the effective date of this notice to place final lifetime purchase orders. And to allow orderly exit from the market, product shall not be delivered after 6 months beyond the announcement date.

End-of-life buy orders must be placed before August 28, 2009 and End-of-life buy orders must be shipped before January 28, 2010.

ON Semiconductor regrets the inconvenience it may cause.

Product Discontinuance #16310

POSSIBLE REPLACEMENT PARTS:

AFFECTED DEVICES	REPLACEMENT PARTS	REPLACEMENT DEVICE SUPPLIER
