Tackle Storm Damage with the Right Tools

EXTECH M050 Pin-Type Compact Moisture Meter

- Measure moisture levels in materials such as wall board, sheet rock, cardboard plaster, concrete, and mortar
- Audible Alert
- Moisture content level icons: low, medium and high
- Includes replacement pins, protective cap, and 9V battery

-20%

EXTECH M055 Combination Pin/Pinless Moisture Meter

- Integrated pinless sensor and external pin probe
- Displays moisture level in wood and building materials
- Audible Alert
- Moisture content level icons: low, medium, and high
- Low Battery Indicator and Auto Power Off
- Includes replacement pins, protective cap, and 9V battery

-20%

EXTECH M053 Pinless Moisture Meter

- Quick moisture measurements on wood and other building materials
- Pinless design for non-invasive measurements
- Measurement depth is approximately <0.75 inches (20 mm)
- Moisture content level icons
- Audible alert

-20%

EXTECH M057 Pinless Spherical Moisture Meter

- Non-invasive pinless technology
- Measurement depth is approximately 4 inches (100 mm)
- Moisture content level icons
- Audible alert

-20%

EXTECH MO290 8-in-1 Pinless Moisture Psychrometer + IR Thermometer

- Integrated pinless sensor and external pin probe
- Simultaneously displays Moisture and Air Temperature, IR Temperature, or Humidity
- Non-contact IR thermometer with 8:1 field of view
- Programmable high/low moisture and humidity alarms
- Min/Max, Data Hold, Auto Power Off and Low Battery Indicator

-20%

EXTECH MO295 Pinless Moisture Psychrometer + IR Thermometer

- Integrated pinless sensor and external pin probe
- Simultaneously displays moisture and air temperature, IR temperature, or humidity
- Programmable high/low moisture and humidity alarms
- Non-contact IR Thermometer with 8:1 field of view and 0.95 fixed emissivity
- Automatic calculation of differential temperature (IR - DP) for condensation point
- Min/Max, Data Hold, Auto Power Off, and Low Battery Indication
- Manually store/recall up to 20 labeled readings

-20%

TACKLE STORM DAMAGE

EXTECH™

EXTECH MO210 Pocket Size Moisture Meter

- 2-in-1 Digital LCD readout and analog bar graph
- Measures moisture in wood/building materials
- Auto Power Off
- Built-in battery check and measurement verification test
- Includes replacement pins, (3) CR2032 lithium batteries, and protective cap

-20%

EXTECH MO260-RK Restoration Kit

MO260 Combination Pin/Pinless Moisture Meter

- Pin moisture measurement (6.0 to 94.8%)
- Relative pinless moisture measurement (0 to 99.9)
- Measurement depth to 0.75-inch (22 mm) below the surface

RH490 Precision Hygro-Thermometer

- Measures Temperature, Humidity, Dew Point, Wet Bulb, and Mixing Ratio in GPP
- Less than 30 second RH response time
- 2% RH accuracy

-20%

EXTECH MO280-KW Water Damage Restoration Kit

MO280 Pinless Moisture Meter:

- Non-invasive moisture level measurement
- Select from 10 wood types and measurement ranges
- LCD displays moisture level from 0 to 99%

MO210 Pocket Moisture Meter:

- 2-in-1 Digital LCD readout and analog bar graph

RH490 Precision Hygro-Thermometer:

- Measures Temperature, Humidity, Dew Point, Wet Bulb, and Mixing Ratio in GPP
- 2% RH accuracy

-20%

EXTECH MO290-RK Water Restoration Contractor Kit

MO290 - Pinless Moisture Psychrometer + Infrared Thermometer

- Integrated pinless sensor and external pin probe
- Simultaneously displays Moisture and Air Temperature, IR Temperature or Humidity
- Non-contact IR thermometer with 8:1 field of view

RHT10 - Humidity/Temperature USB Datalogger w/ GPP (g/kg) Calculation

- 32,000 total parameter readings
- Windows software provides Dew Point, Selectable Sample Rate, Programmable Alarms

-20%

EXTECH 45118 3-in-1 Mini Thermo-Anemometer

- Measure Air Velocity, Temperature, and Wind Chill
- Adjustable averaging function of 5, 10, or 13 second intervals
- Data Hold with Auto Power Off
- Water resistant housing; floats
- Includes CR2032 lithium battery and 43-inches (1.09m) lanyard

-20%

EXTECH 45158 5-in-1 Mini Thermo-Anemometer

- Measure Air Velocity, Temperature, Wind Chill, %RH, and Dew Point
- Adjustable averaging function of 5, 10, or 13 second intervals
- Data Hold with Auto Power Off
- Water resistant housing; floats
- Includes CR2032 lithium battery and 43-inch (1.09m) lanyard

EXTECH™

EXTECH DT40M Laser Distance Meter

-20%

- Takes laser measurements up to 131 ft (40 m)
- Calculates area and volume
- Indirect measurements are calculated using the integrated Pythagorean Theorem
- Continuous measurement with Min/Max distance tracking
- 20-point memory, addition/subtraction of sequential readings, front or rear edge reference, and stakeout-function

EXTECH BR150 Video Borescope Inspection Camera

-20%

- 9mm camera diameter with 4 bright LED lamps with dimmer feature
- 2.4-inch Color TFT LCD monitor with video output for viewing on any monitor with a video input jack
- 39 inch (1 m) flexible gooseneck cable retains configured shape
- Mini waterproof (IP67) camera head for high resolution viewing
- Includes camera cable, 4 AA batteries, extension tools (mirror, hook, magnet), video output jack, and hard case
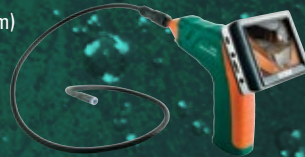

EXTECH DT100M Laser Distance Meter

-20%

- Takes Laser measurements up to 330 ft (100 m)
- Calculates area and volume
- Indirect measurements are calculated using the integrated Pythagorean Theorem
- Continuous measurement with Min/Max distance tracking
- 20-point memory, addition/subtraction of sequential readings, front or rear edge reference, and stakeout-function
- Large quad backlit LCD display

EXTECH BR250-4 Video Borescope/Wireless Inspection Camera

-20%

- 4.5 mm camera provides a glare-free, close-up field of view
- Detachable 3.5-inch color TFT LCD wireless monitor; remote location viewable up to 32 ft (9.75 m) from measurement point
- Date/time stamp captured images and videos
- Image/video playback capability; may be viewed on monitor or PC via USB input

EXTECH CB10-KIT Electrical Troubleshooting Kit

-20%

- Handy electrical troubleshooting kit performs 5 functions
- CB10 Circuit Breaker Finder
- CT20 Continuity Tester/Wire Tracer
- DV20 AC Voltage Detector/Flashlight
- Soft, protective carrying case

## EXTECH IR260 12:1 Compact Infrared Thermometer

-20%

- Non-contact temperature measurement from -4 to 752°F (-20 to 400°C)
- 12:1 distance to target ratio
- Data Hold, Min/Max, and Auto Power Off
- Programmable visual and audible high/low alarms
- Adjustable emissivity
- Built-in laser pointer identifies target area
- Over-range and low battery indicators
- Includes two AA batteries

TACKLE STORM DAMAGE

EXTECH™

EXTECH RH520A Humidity + Temperature Chart Recorder with Detachable Probe

- Simultaneous numerical & graphical humidity and temperature; time and date display
- Basic accuracy: ±3% relative humidity; ±1.8°F (±1°C)
- Dew point, Wet Bulb, and GPP calculation software included
- 49,000 data points memory can be transferred to a PC
- Audible and visual alarm with high/low setpoints
- Includes built-in stand, detachable probe with 3 ft (1 m) cable, PC software, 110 VAC 50/60 Hz adaptor, and 3 AA batteries
- RH520A-240 comes with 240V Adapter, UK type plug

EXTECH RHT30 USB Humidity/Temperature Datalogger

- Datalogger records humidity and temperature with date/time stamp.
- Optimized large LCD
- Smart LED provides color-coded humidity and temperature reading status
- Stores up to 48,000 data points; may be transferred to a PC in PDF or Excel®
- Includes 8-location logger bookmark, 6-language options, programmable sampling interval, adjustable alarm, and password-protected security log-in

EXTECH WTH600-KIT Wireless Weather Station Kit

- Large indoor LCD display (shows indoor temperature, humidity, outdoor weather conditions, date and time)
- Outdoor wireless transmitter with 5 built-in sensors
  - Self-emptying rain collector, wind cups, wind vane, temperature, and humidity sensors
- Operates at 915 MHz; for North America only

EXTECH RHM15 Mini Hygro-Thermometer Monitor

- Monitors temperature and humidity
- Records high and low extremes during the day
- Simultaneous display of temperature and humidity
- Basic Accuracy: ±1.8°F/1°C and ±5% RH
- Min/Max with reset function
- Includes stand and LR44 battery
