

Product consolidation OMNIMATE® Power STV

Dear Madam or Sir,

we hereby inform you that the below listed articles has been subjected to be discontinued and will no longer be available after a transitional period. Please pass this product information only to your employees and possibly to your customers

1. General Overview

Type of notification: PDN (>6 months) Short-term action (<6 months)

Short-term action due to:

- | | |
|--|---|
| <input type="checkbox"/> Software / Firmware Bugfix | <input type="checkbox"/> Short term delivery stop by supplier |
| <input type="checkbox"/> Short term recall by supplier | <input type="checkbox"/> Force majeure |
| <input type="checkbox"/> Product improvement with customer benefit | <input type="checkbox"/> other |
-

2. General Information

Technological change, ecological action and competitive supply security require temporary product adjustments or even consolidations. Our phase-out strategy supports you with possible equipment adjustments.

Target of this strategy is:

- To drive technological change with our customers.
Customer benefits: General product improvements for successor articles
 - To establish ecological action in our processes
Customer benefits: Lower CO2 emissions by avoiding inefficiencies
 - Reduce complexity through product and function consolidation
Customer benefits: Improved delivery and supply security
 - To support possible appliance adaptations in parallel
Customer benefits: Extended supply for long-term storage
-

3. Availability

- Start of Production (SoP): 01.06.1970
- End of Sales (EoS): **30.12.2022**
- End of Delivery (EoD): 01.12.2023
- End of Life/Service (EoL): 01.03.2024

30.12.2022 is the last date for an order, the final deliveries will take place till 01.12.2023.

You are welcome to discuss further options such as a "last call" or "life-time buy" over a period of up to 10 years directly with us.

4. Product comparison

There is no direct successor for the STV offered.
 Depending on the application, the BVZ / SVZ HP series can be used as an alternative.
 This must be checked with the customer on a case-by-case basis.

STV (example) (screw connection)	BVZ 7.62 HP (example) (screw connection)
	
drawings	
	

5. Affected parts

A list of the affected articles can be found in the attachment.

We are very sorry for all the inconveniences caused and doing everything to adjust this product change as smooth as possible without big influence on delivery times and general functions.

For further questions please contact your sales office directly. All contacts for sales representatives are available here:
<http://www.weidmueller.com/contact>

Weidmüller will see this notification as accepted unless a separate procedure is requested in writing within 30 days of the issue date

Best regards

Product Management
