Product Change Notification

PCN-AS-8309-2022

Business Unit	Product Line Code	Type of Change	Action	Date of Issue
AS - Automation Systems	DRI	Product Change Notification	Notify Distributors and Field	10/17/2022

The following Phoenix Contact products have been modified. Existing specifications will be met or exceeded. Please review and acknowledge this document and inform your personnel as needed.

Description for Product Change Notification
The ATEX certification is removed from all Inline I/O modules as well as from all Inline Controllers (ILC). IECEX certification will also be removed from the inline controllers. The background is the change of requirements in the certification process of the new edition of the standard, which cannot be reproduced in our manufacturing process. Direct replacements from the Inline product family are not available

Stock Status
Can existing stock still be used?
Is mixture of stock acceptable?

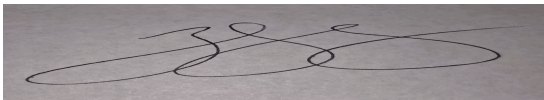

Transaction Dates	
Date modification goes into effect from Germany:	1/31/2023
Expected first shipment (from Phoenix Contact) of the modified products(s):	1/31/2023

Should you have any issues with the timeline or content of this product change, please contact Phoenix Contact using the information below. Customers should acknowledge receipt of the PCN within 30 days of delivery of the PCN; provided, however, that the failure to acknowledge receipt does not affect the product change or the effective date thereof.
