<b>Description and purpose of change:</b> Because of a database mismatch, Würth Elektronik will correct the plating specifications of the shielding on the datasheet. Products already have these characteristics. This is a datasheet correction only. There will be no change in form, fit, function, quality or reliability of the product.	
<b>Detail of Change:</b>  <b>BEFORE :</b> On the datasheet, shielding plating is <b>Nickel</b> .  <b>AFTER :</b> On the datasheet, shielding plating is <b>Tin</b> .	
<b>Reliability / Qualification Summary:</b> There will be no change of the product, therefore no additional reliability or qualification testing will be performed.
