

Global Change Notification (GCN)

Product Family	HS Dock	10663455
		GCN Number
Series	various	November 25, 2014
		Date Issued
Reason For Change	Change Construction Or Material	
Change Description	<p>This letter is to inform you that as part of our continuous improvement activities, Molex will end of life the gold plated housings and nickel plating will be offered as an alternative. The gold plated housing part numbers will be obsolete and new part numbers assigned for the new nickel plated housings. Part number 750197100 will not have a replacement part. Existing Nickel plated part numbers, 75018-83xx will be consolidated onto SD-75018-50xx. SD-75018-011 and RSD-75018-100 drawings will be obsolete. The change will have no fit, form, or function implications to the product. Product performance is consistent to the current product offering, and no changes are required to the product specification. This includes signal integrity performance. New related sales drawings and a replacement parts list are available upon request.</p>
