### DESCRIPTION AND PURPOSE OF CHANGE:

In order to meet current market demands, Würth Elektronik will update the product design to increase the efficacy of the product.

All products with date code 2020-11-06 or later, will be affected by this change.

There will be no change in form, fit, quality or reliability of the product.

### DETAIL OF CHANGE:

Würth Elektronik will update the active element of the product to a newer version with better output parameters.

This will update the optical power of the product as follow:

Parameter	Before	After
Minimum Radiant Flux	330	350
Typical Radiant Flux	400	440
