

December 2021

Dear Valued Customer,

3M Personal Safety Division is discontinuing the 3M™ Particulate Respirator 8211, N95. We apologize for any inconvenience this may cause. 3M will continue to offer a variety of filtering facepiece respirators to support our customers respiratory protection programs. Please see below for discontinuation and suggested replacement information.

Discontinued product:

Product #	SAP ID	Material Description
8211	7000029720	8211 N95 PARTICULATE RESP 80/cs

Suggested alternative:

Product #	SAP ID	Material Description
8511	7000002056	8511 N95 RESP W/O FACESEAL 80/cs

If you have any questions, please contact your 3M Sales or Customer Service Representative. Thank you for your ongoing support.

Kind regards,

Karly Weber | Area Product Marketer – Filtering Facepiece Respirators
