1 Introduction

Logic PD is announcing the discontinuance of the Torpedo™ + Wireless SOM model number SOMDM3730-32-1780AKIR. This action is being taken because, due to low demand, there is evidence to suggest that no end-users have adopted this model for their products. This End of Life (EOL) notification serves as notice for dates of last time buy and last time ship opportunities. This discontinuance affects the following model configurations of the SOM:

Affected Model Number
SOMDM3730-32-1780AKIR

2 Last Time Buy Date

Due to low product demand, the last time buy date will be assessed on a customer by customer basis. Customers are strongly urged to choose the recommended migration route defined below as their first option for continued product ordering.

3 Last Time Ship Date

The last time ship date will be defined within any last time buy agreements as noted above.

4 Recommended Migration Route

The recommended replacement SOM for this discontinued model is SOMDM3730-32-1880AKIR. This replacement SOM has a larger density of SDRAM memory (512MB versus 256 MB on the discontinued model), but all other technical specifications are identical.

5 Contact

For further information about this EOL notification, please post a question to the Logic PD [Technical Discussion Group \(TDG\) forum](http://support.logicpd.com/TDGForum.aspx).¹
