**RE: End of Life Notice for Legacy OLM™ Series**

**Ref: BL-EOL-09282017**

---

This is an End of Life (EOL) notice for legacy OLM Series (OLMA) products, originally released in 2015. Bridgelux has since made improvements to the OLM Series product family with a new generation of OLM Series products (OLMB) that have Gen 7 Vero performance upgrades and lower Vf ratings to help enable Class 2 (wet) environment compliance. The following table includes the legacy OLM Series SKUs that are now EOL (OLMA) and the corresponding (OLMB) SKUs that are recommended replacements:

<b>EOL Product List</b>	<b>Replacement Product List</b>
OLMA-40E000-A01A-AA000	OLMB-40E000-A01A-AA000
OLMA-40C000-A01A-AA000	OLMB-40C000-A01A-AA000
OLMA-50C000-A01A-AA000	OLMB-50C000-A01A-AA000
OLMA-56C000-A01A-AA000	OLMB-57C000-A01A-AA000
OLMA-40E000-A06A-AA000	OLMB-40E000-A06A-AA000
OLMA-40C000-A06A-AA000	OLMB-40C000-A06A-AA000
OLMA-50C000-A06A-AA000	OLMB-50C000-A06A-AA000
OLMA-56C000-A06A-AA000	OLMB-57C000-A06A-AA000

**Implementation Dates**

Last time orders for the legacy OLM (OLMA) SKUs will need to be placed before October 30, 2017. Last time orders for OLMA may have quantity limitations and will be supported only while supplies last.

**Transition Products**

The new OLMB configurations are available for order now with a minimum order quantity requirement of 1000 units.

Please contact your Bridgelux Sales Manager with any OLM Series product questions.

Best regards,  
Product Management
