

Product End-of-Life Notification

Embedded CDMA 1xRTT (2G Verizon) Modems Replacement Models Available

Date: August 2, 2018

I. Summary

Due to the discontinuation of critical components and availability of newer models, all CDMA 1xRTT Verizon embedded models listed in this announcement are changing status from **Near-End-of-Life (NEOL) to End-of-Life (EOL)** effective immediately.

To assist you in finding the most suitable substitute product that meets your needs, please contact your MultiTech sales representative immediately. Call us at (888) 288-5470 or +1 (763) 785-3500, email us at sales@multitech.com.

Models for the Sprint and Aeris networks will remain in full production.

All models listed in this announcement are encryption items. U.S. Export Administration Regulations have special restrictions on the export of encryption items; please refer to these regulations. Any export of commodities, technology, or software must be exported from the United States in accordance with the Export Administration Regulations. Export or diversion contrary to U.S. law is prohibited.

III. Key Dates

Availability of New Ordering Part Numbers: Available now (except where noted)

NEOL Date of Old Ordering Part Numbers: January 23, 2018

Last Time Buy Date: February 21, 2018 (or while supplies last)

Last Time Ship Date: May 21, 2018

End-of-Life (EOL) Date: August 2, 2018

IV. Warranty and Support

MultiTech will provide technical support and repair or exchange of the products listed in this announcement through the warranty period of the installed device. However, no firmware/software updates or maintenance releases will take place post NEOL date.

V. Suggested Action Plan:

To help facilitate the transition to one of the replacement models, we recommend the following actions be taken:

- Forward this announcement to others within your organization who are actively involved in the sale or support of the embedded devices listed in this announcement.
- Note that the models listed in this End-of-Life Notification are no longer available.
- Remove discontinued/EOL models from your pricing system and website.
