

Product Change Notification

TE Connectivity

Product Change Notification: P-22-023036

PCN Date: 12-JUL-22

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:
Contact PIN size 16 sub miniature

Description of Changes
Manufacturing location change. Following Part Numbers will be transferred from TE Connectivity ADM Hermosillo to an Outside Vendor.

Reason for Changes:
Reason for Changes: Dear Customer, as a result of our continuous strive for improving our processes, we hereby inform you about a reactivation of a second source for this product. The transfer of the demand is executed by following a strict transfer procedure, which guarantees no negative influence on quality, ability to supply and form fit-function of the concerned products. The manufacturing location set as second source is under a certified quality management system according the standard industry requirements. An internal release based on our specifications will be executed before any parts will be delivered, which guarantees the performance.
