

Microsemi Corporation

August 21, 2017

Product Discontinuance Notification (PDN) No: 158651**Subject: Discontinuance of MT8870DS1-1, MT8870DSR1-1 and
MT92303B/PR/GP2N****Description:**

Microsemi is announcing the discontinuance of low-volume parts, MT8870DS1-1, MT8870DSR1-1 and MT92303B/PR/GP2N.

Reason for Discontinuance:

The decision to discontinue these products results from low volume and diminished demand.

Customer Impact:

These devices are being removed from Microsemi's product offering and will no longer be available for order after February 17, 2018.

Product may be limited in availability. Orders will be supported on a first-come-first-serve basis. Orders for these products will be non-cancelable and non-returnable.

Replacement Parts:

There are no functional replacement devices. Please contact your local Microsemi Sales Office for information regarding conversion to alternate parts.

Last Order Date: February 17, 2018

Please note that all orders must be booked as non-cancelable non-returnable (NCNR) by no later than February 17, 2018. No new orders will be accepted after this date. Although Microsemi will attempt to accommodate all requirements, it is highly recommended that orders be placed as far as possible in advance of the order deadline. The inventory is limited so orders will be taken on a first-come, first-served basis.

Last Shipment Date: August 21, 2018

Please note that Microsemi will continue to ship last-time-buy orders as requested only through August 21, 2018. Product orders must be scheduled to ship no later than this date.
