

QR18: PRODUCT CHANGE NOTICE

This document shall be issued upon changes to the design of a GCT Product.
It shall be distributed to all Interested Parties and shall be made available on the GCT Website.

Date of Notice: (DD/MM/YYYY) 4-12-2020

Product Change Notice Number: USB4115 B USB C
PCN20201207

Product Identifier: USB4115-03-C

Drawing Revision Letter:

B

Proposed First
Ship Date:

Running change

Description of Changes: with diagrams if relevant

1. Increase reel quantity from 270pcs per reel, 2700pcs per carton (revision A) to 450pcs per reel, 4500pcs per carton (revision B)
2. Change reel dimension form 330mm to 380mm diameter.
3. Change carton dimension from 340mm x 340mm x 320mm to 400mm x 400mm x 320mm

Reason for Change:

More Product can be loaded on a reel. This lowers the changeover time on SMT production lines.

Anticipated Impact on Form, Fit, Function, Reliability or Revision to Material Declaration:

Product remains unchanged. Warehouse provisioning & production line may require adaptation to accommodate the larger 400mm square boxes and 380mm diameter reels.

Details of Ongoing Availability of Existing Version of Product:

270 pieces per reel will no longer be available when existing stocks have been exhausted.

Details of Availability of Samples of Revised Product and Supporting Documentation:

Drawings have been revised to show new packing. Product remains unchanged.

Required Inventory Action:

Run out stocks of 270 pieces per reel.

Final batch number value for revision A stock is 201106-001

In compliance with JEDEC Standard J-STD-046 Clause 3.2.3, the Customer has 30 days from date of receipt of this notification in which to acknowledge this notification, and in which to raise any concerns (Clause 3.2.3.1a)).

Lack of acknowledgement of the PCN within 30 days of receipt constitutes acceptance of the change (Clause 3.2.3.1b)).

Contact Information(s): (if blank, please visit www.gct.co or use the regional details below).
