

Product Discontinuation

PDN-IFC-4021-2019

Business Unit	Product Line Code	Type of Change	Action	Date of Issue
IFC - Industrial Field Connectivity	BF7	Product Discontinuation	Notify Distributors and Field	7/16/2019

Phoenix Contact's factory has announced the following product(s) is going to be discontinued. Existing specifications will be met or exceeded. Technical support of the discontinued product will continue, as required. Please review and acknowledge this document and take the appropriate action with respect to your existing inventory and ordering replacement parts.

Description for Product Discontinuation

In a continued effort to streamline our cabinet feed-through product offering, the legacy versions of our plastic screw plugs are discontinued in favor of the current versions. The current versions are drop-in replacements for those legacy products.

Stock Status

Can existing stock still be used?	Yes
Is mixture of stock acceptable?	No
