1 Affected product versions

Product order code	Successor product
ODIN-W160-00B	EMMY-W165-00B or JODY-W263-00B
ODIN-W161-00B	EMMY-W165-00B or JODY-W263-00B

If neither of the successor products fully meet your application requirements, contact your local support office to discuss possible alternative solutions that are now under development.

2 Reason for discontinuation

One of the components used in the ODIN-W1 series is now unavailable.

3 Customer impact and recommended action

- Successor products may require re-design of the application hardware and some further integration of the associated driver software.
- Neither of the successor products support SPI, which means that some application hosts may need to be upgraded with SDIO controllers.
- Contact your local sales team to get the latest Linux and Android host MCU driver software needed for successor products.

4 Schedule

Last-time-buy date	Last shipping date
31-JAN-2021	31-MAY-2021

 All orders for the affected products placed after the date of this end-of-life notification are non-cancellable and non-returnable (NCNR).

5 Contact

We thank you for your understanding and assure you our very best support. u-blox appreciates and values your continued business relationship and looks forward to your future interest in our outstanding product portfolio. Please contact your nearest u-blox sales team for any questions you may have.
