MODEL NUMBER: U444-003-HWE

USB-C to HDMI cable directly connects an HDMI monitor to your MacBook Pro, Windows laptop or tablet's USB-C or Thunderbolt 3 port.

### Features

**USB-C to HDMI Converter Connects a USB-C or Thunderbolt 3 Port to a 4K Monitor** This USB Type-C to HDMI adapter (M/M) connects an HDMI monitor, projector or television to the USB-C or Thunderbolt 3 port on your MacBook Pro or Windows laptop. It's an ideal connector for multitasking, presenting video at trade shows and conferences, editing documents, playing online games and watching movies on a larger 4K screen. No other adapter or cable is needed to complete your 4K connection. The U444-003-HWE is uni-directional and only converts from USB-C to HDMI.

**Supports USB-C DisplayPort Alternate Mode for Converting Audio/Video Signals** By connecting the USB-C cable to a source device that supports USB DisplayPort Alt Mode, you can output 4K video and digital audio to an HDMI monitor, television or projector without installing special software drivers.

**Enjoy the Clarity of True 4K HDMI Video with Multi-Channel Audio and 4:4:4 Color** This 4K HDMI cable supports true 4K resolutions up to 4096 x 2160 (4K x 2K) at 30 Hz. It also supports 36-bit Deep Color and 4:4:4 chroma subsampling for top-level PC gaming or using your HDTV as a PC monitor.

**Reversible USB-C Connector Attaches in Either Direction** Unlike traditional USB cables that connect in only one direction, the reversible USB-C male connector plugs into a USB-C or Thunderbolt 3 port in either direction for an instant connection every time.

**Ready to Use Right from the Package, So You Can Plug and Play Immediately** The plug-and-play USB Type-C to HDMI cable requires no software or external power. Just connect the USB-C plug to the USB-C or Thunderbolt 3 port on a source device that supports USB DisplayPort Alternate Mode, and connect the HDMI plug to your display. The three-foot USB 3.1 Gen 1 cable is backward compatible with previous USB generations, so you can use it with legacy equipment.
