Product Notification

774-E25-213R461

IP67 right angle D-Sub connectors with .370" footprint

It has come to our attention that we have recently assembled some 774-E25-213R461 with the incorrect brackets. In reviewing our trace information, we noticed we have shipped 100 pieces to Digi-Key against invoice# 103909, P.O. # 2405440. It is recommended that an inventory audit be conducted to ensure you have the correct product. The suspect product consists of board locks that are not centered to pins. Please review the photos below for examples of the suspect and correct material:

Suspect- board locks that are not centered to pins

Accept- board locks centered to pins

If you find any of the suspect product, please call customer service and request a return authorization number for this product notification.

If you have any questions or concerns regarding this request, please do not hesitate to contact me. We thank you for your continued support.

Sincerely,

Sherry Poole

Quality Compliance Engineer
