

DA14585 KITS

REVIEW FOR DIGIKEY

22-SEP 2022

RENESAS ELECTRONICS CORPORATION

SUMMARY

- Review of Digikey Promotion of Renesas (ex-Dialog) DA14585 Bluetooth SoC development/evaluation boards & kits
- The following parts are now OBSOLETE / WITHDRAWN and should be removed from the Digikey websites:
 - DA14585VRCUDEVKT
 - DA14585-00000ATREXDB-P
 - DA14585IOTMSENSKT
 - DA14585IOTMSENSOR

- All stock for the above named kits should be returned to Renesas thru the standard RMA process.

DA14585VRCUDEVKT (1564-1057-ND)

Product is showing as active & available for sale:

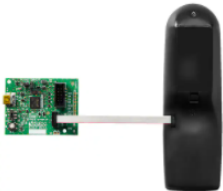

Image shown is a representation only. Exact specifications should be obtained from the product data sheet.

DA14585VRCUDEVKT

Digi-Key Part Number	1564-1057-ND
Manufacturer	Dialog Semiconductor GmbH
Manufacturer Product Number	DA14585VRCUDEVKT
Description	VOICE RCU DEVELOPMENT KIT
Detailed Description	SmartBond™ DA14585 Transceiver; Bluetooth® 5.2.4GHz Evaluation Board
Customer Reference	<input type="text" value="Customer Reference"/>
Datasheet	Datasheet

34 In Stock

Can ship immediately
Due to temporary constrained supply, Digi-Key is unable to accept backorders at this time.
