|---|---|-------------------|
| Product Family | Various | 10710304 |
| | | GCN Number |
| Series | Various | November 02, 2015 |
| | | Date Issued |
| Reason For Change | Change Construction Or Material | |
| Change Description | This is to notify you that Molex Downers Grove cable supplier is changing Multimode 50/125um fiber from standard to Bend-Insensitive. This change is in line with the fiber manufacturers making the general announcement that they will discontinue non-BIF shipments by the end of the 2015 calendar year. Cable vendors are following that lead as more of the Global market converts. All newly designed cables already incorporate Bend-Insensitive fiber. | |
| | | |
| Part Numbers Affected | Please refer to CustomerPartList.csv attached to e-mail message. | |
| Reason For Short Notice Exception | | |
| Assessment Of Change (How Product Will Be Qualified & Validated) | Per our vendor's qualification test report. | |
| Internal Molex Qualification Date (Planned Date Information Available) | September 15, 2015 | |
